Information for Testing Only Patients

Thank you for choosing the Neurology Center of Fairfax to provide your neurological testing. Our goal is to provide you with top quality care. Please help us by providing your most up to date medical information at the time of your testing.

Please read the following instructions before you come to the office for your testing.

Prior to your test please:

- Fill out all information forms. We need current information to provide you with the best care.
- You can download the forms from our website:
www.neurologycenteroffairfax.com
- You must bring your testing order and all completed forms to your appointment or we will not be able to perform your testing.
- Your co-payment costs, co-insurance, and any deductibles are due at the time of service. If you do not pay these costs at the time of your visit, there is a \$10 administrative fee and an additional \$10 service charge for each bill we send. These charges are not covered by health insurance. We accept VISA, MasterCard, Discover, cash and checks.
- Please be respectful of other patients and arrive 15 minutes before your scheduled test time. Please call us if you are delayed by traffic at 703-876-0800. If you are late, we may not be able to see you the same day. We understand the problems with traffic in Northern Virginia, but we cannot inconvenience patients who do arrive on time for their appointments.
- Our office does not communicate with patients via email or text messaging as these are not HIPAA compliant. You may use our web portal for secure communications with our staff.
